Dear Semler:

I am hastening to answer your letter as I know you will be anxious to get the matters discussed in it straightened out. I am soory you have run into the trouble you speak of, but I am sure you were not completely surprised. Good ballplayers are so hard to find it is easy to understand any one not wanting to let good ones get away.

Do you think all the western teams will cancell all the games with the east, or just The Yankees? If so what about The East West game?

About The Eagles and Yankees barnstorming, I will be glad to play you Sunday the 12th and 26th. I have agreed to play The Grays in Washington the 26th and do not plan to go to camp until the last of the month. We will not be ready to play Easter Sunday. You said in your letter you would get busy on the parks if I could play you. Where would you play. The only spot I see is Durham. Maybe you have some other place in mind. I have to be in Washington on the 19th, so I could not go too far.

I will be looking to hear from you by return mail, as I am going south this week to work on our games in May. Are you sure the decision of the west is final?

Very Truly Yours
